R: REDACTED MATERIAL

CURRICULUM VITAE

NAME: Robert Alfred Squire

DATE AND PLACE OF BIRTH: REDACTED

CITIZENSHIP: United States

MARITAL STATUS: REDACTED

EDUCATION:
June, 1948 - graduated from high school
June, 1952 - B.S. University of Vermont
June, 1956 - D.V.M., Cornell University
June, 1964 - Ph.D., Cornell University

BOARD CERTIFICATION: 1965, Diplomate, American College of Veterinary Pathologists

CHRONOLOGY OF EMPLOYMENT

1984 - date	Professor of Comparative Medicine, The Johns Hopkins University School of Medicine, Baltimore, Maryland.
1982 - date	Adjunct Professor of Pathology, University of Maryland School of Medicine, Baltimore, Maryland.
1980 - date	President, Robert A. Squire Associates, Inc., Ruxton, Maryland.
1976 - 1977	Director, Carcinogenesis Bioassay Program, Division of Cancer Cause and Prevention, National Cancer Institute, Bethesda, Maryland.
1976 - 1977	Chief, Carcinogen Bioassay and Program Resources Branch, Carcinogenesis Program, Division of Cancer Cause and Prevention, National Cancer Institute, Bethesda, Maryland.
1974 - 1976	Associate Chief, Experimental Pathology Branch, Carcinogenesis Program, Division of Cancer Cause and Prevention, National Cancer Institute, Bethesda, Maryland.
1973 - 1976	Head, Tumor Pathology Section, Carcinogenesis Program, Division of Cancer Cause and Prevention, National Cancer Institute, Bethesda, Maryland.

CHRONOLOGY OF EMPLOYMENT CONT'D.

1973 - 1976	Expert Consultant, Carcinogenesis Program, Division of Cancer Cause and Prevention, National Cancer Institute, Bethesda, Maryland.
1970 - 1975	Associate Professor of Pathobiology, The Johns Hopkins University, School of Hygiene and Public Health, Baltimore, Maryland.
1968 - 1984	Associate Professor of Comparative Medicine, Associate Professor of Pathology, The Johns Hopkins University School of Medicine, Baltimore, Maryland.
1968 - 1973	Director, Laboratory Animal and Comparative Pathology Training Program (USPHS-NIH), The Johns Hopkins University, School of Medicine, Baltimore, Maryland.
1966 - 1973	Head, Comparative Pathology Program, The Johns Hopkins University School of Medicine, Baltimore, Maryland.
1966 - 1973	Pathologist, Baltimore Zoo, Baltimore, Maryland.
1965 - 1973	Director, Animal Tumor Clinic, The Johns Hopkins University School of Medicine, Baltimore, Maryland.
1964 - 1968	Assistant Professor of Pathology, and Assistant Professor of Animal Medicine, The Johns Hopkins University School of Medicine, Baltimore, Maryland.
1962 - 1964	USPHS-NIH Postdoctoral Fellow, Cornell University, Ithaca, N.Y.
1961 - 1962	Instructor in Pathology, Cornell University, Ithaca, N.Y.
1956 - 1960	Private Veterinary Practice, Fair Haven Animal Hospital, Fair Haven, Vermont.

CURRICULUM VITAE CONT'D.
Robert Alfred Squire

SOCIETIES

[redacted]

SCIENTIFIC AND ADVISORY COMMITTEES

1965	Special Task Force, Joint Committee on Veterinary Education, The American Veterinary Medical Association Washington, D.C.
1968 -1972	Chairman, Committee on Laboratory Animal Diseases, Institute of Laboratory Animal Resources, National Academy of Science, Washington, D.C.
1968 - 1978	Member, Advisory Committee to Registry of Comparative Pathology, Armed Forces Institute of Pathology (Universities Associated for Research and Education in Pathology), Washington, D.C.
1971 - 1972	Chairman, Statutory Advisory Committee, Food and Drug Administration, Washington, D.C.
1971 - 1974	Member, Scientific Advisory Council, Morris Animal Foundation, Denver, CO.
1971 - 1975	Chairman, Advisory Council, New York State Veterinary College, Cornell University, Ithaca, N.Y.
1971 - 1973	Chairman, Medical Committee, Baltimore, Zoological Society.
1971 - 1978	Board of Trustees, Baltimore Zoological Society.
1974	Panel Member, National Cancer Program's Planning Conference, Washington, D.C.
1975 - 1976	Member, Advisory Council, New York State Veterinary College, Cornell University, Ithaca, N.Y.

SCIENTIFIC AND ADVISORY COMMITTEES CONT'D.

1975 - 1978	Member, Toxicology Advisory Committee, Food and Drug Administration, Washington, D.C.
1975 - 1976	Leader, Pathology Working Group, Committee for the Review of Data on Carcinogenicity of Cyclamates, convened by the National Cancer Institute for the Food and Drug Administration.
1976 - 1982	Consultant, Cancer Assessment Group, Environmental Protection Agency, Washington, D.C.
1976 - 1982	Member, Committee on Histologic Classification of Laboratory Animal Tumors, Institute of Laboratory Animal Resources, National Research Council, National Academy of Science, Washington, D.C.
1977 - date	Member, Scientific Advisory Board, Charles River Breeding Laboratories, Wilmington, Mass.
1977 - 1982	Chairman, Committee on Histologic Classification of Laboratory Animal Tumors, Institute of Laboratory Animal Resources, National Research Council, National Academy of Science, Washington, D.C.
1977 - 1978	Consultant, Carcinogenesis Program, National Cancer Institute, Bethesda, Maryland.
1977 - 1980	Member, Science Advisory Board, National Center for Toxicological Research, Jefferson, Arkansas.
1977 - 1982	Member, Scientific Committee, Food Safety Council, Washington, D.C.
1978 - 1984	Member, Advisory Council, New York State College of Veterinary Member, Cornell University, Ithaca, N.Y.
1978 - 1986	Director, Toxicology Forum, Washington, D.C.
1979 - 1988	Director-at-Large, Universities Associated for Research and Education in Pathology, Bethesda, Maryland.

CURRICULUM VITAE
Robert Alfred Squire

SCIENTIFIC AND ADVISORY COMMITTEES CONT'D.

1980 - 1982	Chairman, The Nutrition Foundation Expert Committee on the Safety of Lead and Lead Salts in Food, Washington, D.C.
1980 - 1986	Member, Advisory Committee to Registry of Environmental Pathology, International Academy of Pathology, AFIP, Washington, D.C.
1980 - date	Member, Expert Committee on Pathology and Toxicology, International Life Sciences Institute, Washington, D.C.
1980 - date	Member, Regulatory Liaison Committee, American College of Veterinary Pathologists.
1982 - 1984	Member, Committee on Chemical Environmental Mutagens, Board on Toxicology and Environmental Health Hazards, National Academy of Sciences, Washington, D.C.
1982 - 1983	Member, The Nutrition Foundation International Expert Advisory Group on the Relevance of Mouse Hepatoma to Human Carcinogenic Risk, Washington, D.C.
1982 - 1983	Member, Four Nation Committee on the Evaluation of the Safety of BHA, Food and Drug Administration, Washington, D.C.
1983 - 1984	Member, American Industrial Health Council Committee on General Criteria for Assessing the Evidence for Carcinogenicity of Chemical Substances, Washington, D.C.
1983 - 1984	Member, Panel of Experts, Rat Liver Tumor Workshop, National Toxicology Program, Research Triangle Park, North Carolina.
1986 - 1987	Councilor, Carcinogenesis Specialty Section, Society of Toxicology.
1986 - 1987	Member, Expert Panel, Carcinogenicity of 2,4-D, Ontario Ministry of the Environment, Ontario, Canada.
1987 - date	Consultant, Science Advisory Board, Environmental Protection Agency, Washington, D.C.
